

Class of '85

It is with a very heavy heart that I am passing along the news that we lost 23rd Company Classmate John A. "Bag" Hefti last night in a car accident in his hometown of Virginia Beach, Va. John leaves behind his wife Trish and sons Jay, Adam and Shane. John joined us at the Reunion Golf outing on the 24th and could not attend the Reunion Tailgate as he was watching his youngest son, Shane, play in a baseball game back in Virginia. This is a tremendous loss for our Class, like any Classmate, but particularly hard since many Classmates just saw John a few short weeks ago at the Reunion. As we always, our Class is supporting his family in any way we can and will stand with them always. We learn again that life is a precious gift and to cherish every moment. We will pass along any news as we get it and will be there for John and his family to grieve together. You can contact 23rd Company Rep Greg Miller with any questions at: (269)420-9925. Our Class is working with Greg and members of 23rd Company as they support their fallen brother. Please keep John and his family in your thoughts and prayers. I have attached some photos of John sent to me by 23rd. Co.

Regards,

Bob Smith '85
