

Class of 1985,

First, a huge thank you to everyone who's already registered for our upcoming class 40th reunion! Your enthusiasm means the world to me, and I'm so grateful you've taken the time to sign up. We're off to a fantastic start, and it's because of you!

For those still on the fence, I encourage you to register as soon as possible. We're working hard to make this the biggest and most memorable reunion yet—potentially our largest ever! Statistics show the 40th reunion often draws the biggest crowd, with many of us at a perfect stage in life—retired, kids grown, and ready to reconnect. Time has a way of moving faster than we expect, and this could be one of our best chances to laugh, share stories, and celebrate together while we're all still here and able.

To lock in accurate numbers for our vendors—caterers, venue, and more—we need your RSVP soon. Don't miss out on this special moment to relive the glory days and make new memories with our incredible class.

Please visit the Merchandise drop down from our Class website, there are certain items that are going to be bulk order have a firm deadline to order them in order to get them at the reunion at a greatly reduced cost. Those items are the Jensen Duffle bag, the engraved glassware and the engraved Woodford Reserve Bourbon, details for ordering are in the descriptions for those items. We may have some limited numbers of those items for sale at the reunion, but those will be very limited and the cost will be slightly higher. Some may be available for ordering at the reunion, but the cost will definitely be higher due to shipping. Check them out and get your orders placed if you want anything from our Reunion store.

The following link is your main pathway to registering or keeping yourself informed on our reunion, the schedule, events, etc.:

<http://1985.usnaclasses.net/>

Can't wait to see you there, please register as soon as you can, it definitely will help me out and after August 1st, it will cost you \$100 more per person for the registration fee. Go Navy and see you in September. Reach out to me if you have any questions about our reunion, I probably have the answer.
