

Classmates,

I have been working with Jacob Bromwell, who has offered a line of commemorative flasks to other USNA and USMA Classes and they have been good enough to put a line of awesome flasks out for the Class of '85 for a very limited time offer of \$65, from today until July 10th. Please check out this link:

If it asks you for a password, that is: usna1985, I was able to click through to the ordering page without a password and place an order this morning.

These flasks are an AMAZING deal and the ordering window is only open for 10 days and will end on July 10th. The cost is \$65 and shipping is free. I will let you check this offer out and it pretty much speaks for itself, these are high quality and those who have purchased from Jacob Bromwell have nothing but great things to say about these flasks.

Them doing this was their way to say "Thanks for your service", and I very much appreciated them working with us. So, it is up to you to get your orders placed and don't miss out.

I told you we were going to be offering some pretty amazing stuff this reunion, so don't say I did not warn you. We will also have this item on our Class of 85 website until the ordering window expires on July 10th.

Go Navy and keep those registrations coming!
