

Class of '85,

Quick email, we have one golf slot open to the first taker, please email Class VP Steve Pimpo at: sjpimpo@comcast.net to join in on the fun this Thursday at 1100-1600 at the USNA Golf Course. Next, made the rounds to all the venues today and in addition to PERFECT weather this weekend, the beer is on ice and the food is being prepped. You can still join us, to go and sign up, we are GLAD to have you:

<http://1985.usnaclases.net>

To be clear, our give away items are a nice USNA '85 Tempercraft Water bottle per registrant and a copy of Classmate Rick Campbell's latest book: *The Final Stand*. We have a full line of great reunion items for purchase from our Class website. Those classmates who have ordered items LOVE THEM! I will have some items on display at the registration and you can take a look and place an order at or after the reunion fully online.

Safe travels and see everyone starting in just 2 more days. Reach out with questions, the cancellation window is closed and reach out to Steve Pimpo ASAP if you want to jump into our golf outing. Go Navy!
