

Hello Again '85,

Only 1 more week until many of us are gathering in Annapolis, and that number continues to grow. The list of attendees was a huge hit with classmates. I have attached it again to this email and hope you all have a chance to see just how many people are coming back for the 40th next week. Today, more information to put out as a result of people asking great questions, so keep that up.

Parking at the Stadium for the Tailgate:

Just drive into the parking lot at NMCS Stadium pay the \$10 parking fee and pull down to the '53 Scoreboard end (opposite the Blue Angel F/18 end of the stadium), and park and walk right in. We are the only event at the Stadium. The busses will drop you off right at the entrance and if you take an Uber, have them take you Gate 2 off Farragut Road and drop you off, it is only a short walk from there to the tailgate. There will be alcohol at all our events, so taking our busses or an Uber is my suggestion, we don't want any court cases or casualties due to our fun indulgences.

Extra Hotel Room at the Springhill Suites Annapolis:

If you want a \$219 room for the weekend, reach out to Classmate John Winkler he has an extra room and is holding it a few more days before he cancels in case someone needs a room at the original block rate (A great deal based on current hotel rates in town). Contact John at: jkwinkler@outlook.com

If you need to cancel for the weekend of change an event and want a refund, you have until September 15th do that. Go on the SignUpEvents site where you registered and fill out a case (it is a link on the home page) and fill out the form for a refund. You can still add events and you can still register, start at the Class of Website: <http://1985.usnaclass.net/>

Our website will take keep you up to date on all reunion information, I suggest a bookmark of that site. I will have daily emails as needed to pass along information. If you are bored, my class emails are all in an archive on the Class of '85 website, or just watch paint dry.

See you all next week, join us is you are suddenly free last minute, quite a few people are doing just that, momentum is building and the weather looks pretty SWEET so far on the extended forecast. Contact me with questions, suggestions or needs, I am not watching paint dry.

Cheers,
Bob Smith '85
